Black Quire (Pty) Ltd

COMPANY PROFILE 2025

Innovative and Collaborative

24/7
ON-DEMAND
DIESEL FUEL DELIVERY

About Us

Black Quire (Pty) Ltd is a private company duly incorporated in terms of South African Companies and Intellectual Property Commission. It is a black owned company founded in 2012 as a fuel distributing company.

Black Quire delivers off-road diesel fuel for customers who require scheduled or emergency deliveries for mining, construction equipment, commercial and industrial machinery, or generators at job sites, construction sites, or fixed facilities.

We differ from other diesel companies in how we approach your fuel needs... they become our needs. We work closely with you to ensure you are getting fuel where you need it and when you need it.

We pride ourselves on delivering on-time, 24 hours a day, 7 days a week, 365 days a year.

WORKING IS WHAT YOU DO. DELIVERING FUEL IS WHAT WE DO.

Since our inception Black Quire has developed a strong and extensive supply network which gives us the ability to offer our customers an unlimited supply of petroleum products across South Africa. Our strong logistics background and experience with building unique distribution platforms supports the company promise that we can and will deliver "Anywhere in South Africa".

We provide competitive pricing, guaranteed supply, industry leading fuel safety programs, and "Around-The-Clock" service to support a wide variety of industries throughout the country. Since our inception in 2012, we have strived to provide the best service possible to our valued and loyal customers, while maintaining our four pillars; Safety, Service, Supply and Support.

WE SUPPLY DIESEL ANYWHERE IN South Africa

Objectives

Our strategic goals and objectives are designed to strengthen the company's revenue-earning potential, win market share and build a reputable brand. Our main strategic goals are to:

- Promote efficient Fuel distribution to our customers;
- Facilitate an environment conducive to efficient and commercially justifiable investment;
- Create employment opportunities and develop small businesses in the sectors in which we have a business presence and;
- Ensure countrywide availability of fuel and related products at competitive prices.

Our Deliveries

Our deliveries are confined within and around Gauteng and Nearby provinces. Fuel deliveries is facilitated by an extensive fleet of tanker trucks. Deliveries can range anywhere from 1500 litres to 40000 litres at a time.

Fuel gets uploaded daily, exclusively from major oil companies then gets pumped into storage tanks, from there on forwards fuel goes out on smaller trucks to service our client base. As a constant supply of fuel is being kept in our storage tanks we can guarantee you a very fast turnaround time.

Service is our passion and selling, moving, delivering fuel is our game.

Our Depo

We have depo's that stock 5Million Litres 50PPM Monthly.

Onsite. Ontime. Whenever. Wherever
